-Punctuation \_\_\_\_\_/5 pts

-Neatness(*blue/black ink or typed*) \_\_\_\_\_/5pts

**Total points:** \_\_\_\_\_/50 pts

**Character Creature Assignment** This term we have read and discussed the story "Charles". Your in-class assignment involves the following:

1. Think of 5 traits of the character Charles.
2. Choose a different animal to represent each trait. Example: If the character is quiet, a mouse may be an animal used to represent this particular trait.
3. Create a new creature that reflects the traits of both the animal and the creature. Example: Your new creature could have the stripes of a zebra, the nose of an elephant, the neck of a giraffe, and so on. Remember - you must include 5 animals to represent 5 traits.
4. On plain white paper, draw and color your new character creature.
5. You must also include a write-up explaining what each animal represents. Give a thorough description of your new character.
